## Notes

*This Fair is dedicated to my Dad -  
 who encouraged me to ask questions, taught  
 me how to take things apart, figure out  
 how they work and how to put them back  
 together so they work again. I also got my  
 weird sense of humor from him.*

*Sending you LOVE on the Journey, Dad !!!*

*When we choose our light, not darkness;  
 our positive, not our negative;  
 our good, not our bad;  
 our peace, not our anger;  
 our forgiveness and belief,  
 not our blame and shame —  
 We are no longer at the effects of our  
 temporary circumstances.*

 pain or by insight- it's your choice.*
