

Lecture Schedule 2023 Fall Holistic Fair

SATURDAY

Room 1

11 am Paula Elofson-Gardine Psychic Development Using Tarot

Advanced uses for Tarot goes far beyond doing readings and prognostication. Come to the lecture and gain insight to these uses.

Noon Jason Antalek Akashic Records: Philosophy and Perspective

The incredible resource of information known as the Akashic Records is available to everyone. With a bit of understanding and perspective, supported by logic, there is deeper knowledge of your Soul's energy and journey you can access that doesn't require any spiritual, clairvoyant, or psychic abilities.

1 pm Charity Mills, LIMHP Microdosing Psilocybin for Mental Wellness

Psychedelics have made their way into mainstream media discussions and even onto political ballots. In November 2022, Coloradoans voted to decriminalize the use of psychedelics. Charity summarizes the general benefits of psychedelics for mental wellness and focuses specifically on psilocybin and how using microdoses can enhance your mental state.

2 pm Alicia D Ponce The Power of Forgiveness

Alicia D Ponce will be sharing her personal story on forgiveness. Also, she will be sharing powerful healing tools on your journey to forgiveness. If time permits, we will include a Q and A.

3 pm Carol Skylark Brother & SisterHood Circle for LightWork Creation

Led by Carol Skylark and her 50 years of watching and facilitating lightbody healing via aura portraiture. Sitting in circle and becoming fully immersed in the flow of light through our physical bodies, our light bodies, our group aura and our higher sourced dimensions is the purpose of this workshop. Opening together to twelve realms of light~body experience, inspired by the "ARIKA Mentations", will be the perfect path to guide us. It will be an easy fun way to create our individual and team lightworking capabilities.

4 pm Tory Travers Why Being Diagnosed With a Chronic Illness is the Best Thing That Ever Happened To Me

I share my story to inspire, empower and show what's possible. I was diagnosed with an autoimmune disease when I was 18. I was told I was a "young girl with a serious disease and it's only going to get worse". Since declining traditional treatment, I went on a quest to learn how to heal naturally. Over the last 10 years I have studied and experimented with all kinds of holistic healing modalities. I am healthier than ever in my life, and life continues to get better every day. There is hope.

SATURDAY

Room 2

11 am Doña Olivier Healing with Crystals

Wondering how crystals heal? Learn about using crystals for personal health and healing needs. Join Doña as she presents using the treasures of Earth for growth and transformation balancing the aspects of "As Above, So Below."

Noon Rocky Mountain Psychic Center Henna and Tea Leaves

We invite you to share in a unique experience bringing forth a harmonious blend of energy healing, the sacred ancient art of henna and spirit plant medicine with tea to nourish your mind, body and spirit.

1 pm Robert Wood Know Your Soul

Knowledge of your soul leads to purpose and ability to complete your karma to fill your destiny, understand your gifts and demonstrate your talents.

2 pm Michael Cutter How Your Hands Reveal the Soul

The hands have been used as a window to the soul for centuries, and with modern scientific research, the science of dermatoglyphics, it's been taken to a whole new level. Discover how the fingerprints, along with the shape, consistency, lines and other information in the hands provide an amazingly comprehensive and scientifically accurate picture of your life purpose. There's no more need to guess or wonder how to live with a feeling of deep meaning and purpose in life. This is the information you need to finally understand the mysterious relationship between the fear, trauma, challenges and purpose in life, and most importantly what to do about it.

3 pm Ron Liggett The Greater Community and Our Place in the Cosmos

We will tie together the current emerging of the Space Brothers, the Masters of Wisdom and the Generation Alpha children. Expanding our vision of a positive future and ways we can help heal ourselves, the planet and each other.

SUNDAY room 1

11 am Patricia Johnson How to be a Rainbow in the Storm Clouds of Life

Lessons on how to Lead with Kindness, even when it's hard.

Noon Val Thomas Becoming a Sovereign Being ~ The State of the Universe

Understanding your individual role and responsibility in the Ascension process thru alignment with your higher selves and Light Body evolution via activation of multidimensional DNA.

1 pm Leanne Lindberg What Are the "Clairs" and How Do You Use Them

I will be teaching what the Clairs are, how to determine what your main Clair(s) are, and how to strengthen them.

2 pm Katie Christensen Tapping into Altered States of Consciousness

We've all heard "meditate more", but why? A stilled mind is the gateway to the exploration of consciousness. We'll be discussing the different brain wave states, the functions of the left and right hemispheres of the brain, self-hypnosis, and the possibilities that exist when you remember how to reconnect from within. Katie will share some stories of healing occurred with her clients, her family, and herself from her QHHT and Crystalline Soul Healing practice. Afterwards, Katie will take questions from the audience about accessing altered states of consciousness through self-hypnosis, Dolores Cannon, QHHT, and anything else pertaining to the topic.

3 pm Roger Ringo The Human Aura: See It, Feel It, Learn To Heal It

Join Master Metaphysician, Roger Ringo as he shares fascinating insights into the aura and the spiritual meaning of colors. Roger will show you what the colors of the aura mean, what the colors of your clothing reveal and even teach you how color can aid you in attracting success. Your preferences for red, yellow, green, blue, and purple will reveal interesting insights.
