

Lecture Schedule - 2024 Spring Holistic Fair

SATURDAY

room 1

11 am Kris Gibbs

Angel messages for 2024

Kris will be sharing angel signs and stories, as well as her near death experience. Plus angel messages for 2024.

Noon Dana Llewellyn

The Lymphatic System

Learn what the lymphatic system is, what it does, and how to care for it.

1 pm Cynthia Sandifer

Why Does This Keep Happening To Me?

A presentation on how to stop the roller coaster you feel you are on. Cynthia will be giving you tools to help you heal and to finding out why you keep making decisions that dramatically affect your personal and spiritual life.

2 pm Tawney Pierce

MARCONICS: The Next Wave of Ascension

'STATE OF THE UNIVERSE': the State of the planetary SHIFT & how to access and assimilate new DNA codes & magnetics for the NEXT Ascension Wave. Marconic Energy is a full-spectrum, multidimensional Ascension Energy modality that RECALIBRATES the holographic human templates for the embodiment of 5D reality & beyond!

3 pm Julia Senesac

Access Your Best Self

Julia will do a group demonstration of a "feel good" anchor placement to be accessed for a future resource state.

4 pm Atlas Scribe

You're a Magician & You Just Don't Know I.T.

Working with our own magic is what we're here to discover.

SATURDAY

room 2

11 am Abigail Stewart

Lessons from our Animals

Our pets and animals play a very important part in our soul's journey. Join Abigail as she explores the bigger purpose behind our strong human-animal bonds to bring you closer than ever with your 4-legged friends.

Noon Ezzat Moghazy Handwriting Analysis: Decoding the Soul

Discover how the strokes of your pen reveal profound insights into who you are and your Spiritual Path of Self-Discovery This is a hands-on presentation where you will get to work with your own handwriting.

1 pm Doña Olivier Crystals and Chakra Healing

Learn the connection of crystals and chakras to affect healing for your energy systems. Why is it important to understand these subtle influences and use for raising body and mind frequencies for your highest good.

2 pm Avatar - Carrie & Na'ama Change Your Viewpoint, Change Your Life

Experience the power of changing viewpoints over anything in your life. Learn a powerful tool in a participative exercise that can be done individually or in a group.

3 pm Michael 'Heartsong' Cutter Waking Up in the Dream; Merging the Two Worlds

Michael will share his experiences of 'walking in two worlds' after being called into the powerful, mystical world of traditional shamanism in a near death experience. Following the journey has led him deep into the African Kalahari and Ecuadorian Amazon to be with the elders and shamans of his vision. He has become a healer, guide and bridge of indigenous wisdom. In this interactive discussion, Michael will share practical and spiritual perspectives on living the life you came here for.

4 pm Patty Candelario Who You Are in Tarot and Astrology

We will explore who you are within Tarot and Astrology based on your birth date.

SUNDAY

room 1

11 am Cate Jones -Violet Feather Alchemy The Magic of Divination Through Sound

Join Cate, claircognizant and sound healer of Violet Feather Alchemy, as she demonstrates divine channeling through crystal singing bowls. You will experience the power of sound vibration and divine messages in a group experience, and leave with renewed energy and connected to higher wisdom.

Noon Brianna Lafferty From Death to Doula

How a 22 year journey with a chronic "incurable" neurological movement disorder and a near death experience led me to the keys to complete healing. After unlocking the secrets to life and death, I now guide others as a Death & Spiritual Doula on their transformational journey.

1 pm Brandi Pummell Introduction to Seraph Adalian and Seraphic Wisdom

Seraph ADALIAN, Guardian of North America, has given us elegant, powerful tools to raise our vibrational frequency to support our sacred life path, our balance and harmony with Mother Earth. Learn about Seraph's Love & Faith and Light Essence of the Rocky Mountains. Come and experience the loving energies of Seraph ADALIAN through Waves of Love, Waves of Love and Faith, and Waves of Faith and Manifestation.

2 pm Reno LongMoons Medicine Wheel Walking

A tool for connecting with your divine source and receiving direction and understanding on your journey.

3 pm Ron Liggett - Share International Cosmic Companionship-Our Hidden Help & Support

We will explore our inner connections to Masters, UFO's and Angelic Beings and how we can consciously communicate and interact with these unseen helpers. A guided experiential meditation is included.

4 pm TBD

SUNDAY

room 2

11 am Francoise Netter De-mystifying Psychic Awareness & Empaths--Mystical Tools for Guidance & Transformation

Have you ever had intuitive hunches or felt like you carried the burden of others physically or emotionally? In this lecture we will look at what it means to be Psychic and an Empath and examine the tools that can offer guidance as well as transformation and empowerment.

Noon Jason Antalek What is in Your Soul Blueprint?

What the Soul Blueprint is, what it contains and how it can help you. Your blueprint holds more than just keys to your potential, it contains information that can be easily interpreted and effectively applied to improve your experience right from the start. Learn how unlocking your unique potential is possible and what that unleashing creates in life, love and purpose.

1 pm Carol Ng Power of Self-Healing

IQS aka Interactive Query System is leading-edge technology sometimes referred to as electro-dermal screening. It allows the practitioner to access the innate intelligence of the body. What does that mean? It means there is a simple way to quickly ask questions & receive answers from your own body, which puts you quickly on your path to health!

2 pm Abigail Maddox Stopping the Endless Cycle of Unknown Symptoms

Dive into the most common reasons why your body is holding on to pesky symptoms.

3 pm Charity Mills Microdosing Psilocybin for Mental Health

Questions about Microdosing? Come learn more about the scientific advances in psychedelic assisted therapy. Gain insight into the benefits of utilizing psilocybin to help with symptoms including addiction, anger, depression, racing thoughts, focus, creativity, spirituality and more.

4 pm TBD
