

Lecture Schedule - 2024 Colorado Fair

SATURDAY

11 am **Amanda McKoy Flanagan** **5 Principles to Face Your Pain and Change the World**

Participants will learn how to embrace self-love and humility, heal their childhood wounds, and integrate the Buddhist concept of Impermanence and Compassion Forgiveness into their hearts to transmute grief and trauma into an unshakable foundation of unconditional love and compassion for self and others. Emotionally secure, they will be inspired to share their healed, loving energy with the world, creating a safe place of connection and well-being for themselves and others.

Noon **Celine Burgett** **3 Secrets to Heal Anxiety and Overwhelm**

This lecture includes physiological responses to stress, 3 obstacles that keep us stuck in the cycle of anxiety, and 3 powerful tools to start implementing now to heal it. This workshop includes meditation and breathwork.

1 pm **Cate Jones** **The Magic of Divination Through Sound**

Join Cate, claircognizant and sound healer of Violet Feather Alchemy, as she demonstrates divine channeling through crystal singing bowls. You will experience the power of sound vibration and divine messages in a group experience and leave with renewed energy and connected to higher wisdom.

2 pm **Alec Uitti** **Our Eyes are Maps to Our Greater Mission**

Alec will talk about how the maps that our eyes present can be followed to our true purpose on this planet with examples and stories of clients.

3 pm **Casie Coyle** **Journey to Self-Worth**

Embark on your Journey to Self-Love: Uncover and transform limiting beliefs and embrace daily rituals to nurture your self-worth.

4 pm **Doña Olivier** **Use Crystals for Chakra Balancing**

Learn the connection of crystals and chakras to affect healing of your energy systems. Why is it important to understand these subtle influences and use for raising body and mind frequencies for your highest good.

SUNDAY

11 am Lindsey DePeri-Franz Spring Astrological Attunement

Gain an understanding of how planetary alignments influence your life and soul journey. Together we'll explore the principles of evolutionary astrology, what you can learn about yourself from a birth chart reading, the energies of the spring eclipses and more. Discover how the rhythms of the cosmos can empower you, guide decision-making, and illuminate pathways to deep personal fulfillment.

Noon Dr. Ezzat Moghazy Handwriting Analysis: Decoding the Soul

Discover how the strokes of your pen reveal profound insights into who you are and your Spiritual Path of Self-Discovery. This is a hands-on presentation where you will get to work with your own handwriting.

1 pm Julie Strong Spirit Realm Exploration

I work within your spiritual realm to learn, teach, and create. The goal is to create positive change in the physical plane. Today I want to walk up to your realm, knock on its door and meet your support system (spirit guides). Come play and let's see what we find!

2 pm Brandi Pummell Introduction to Seraph Adalian and Seraphic Wisdom

Seraph ADALIAN, Guardian of North America, has given us elegant, powerful tools to raise our vibrational frequency to support our sacred life path, our balance and harmony with Mother Earth. Learn about Seraph's Love & Faith and Light Essence of the Rocky Mountains. Come and experience the loving energies of Seraph ADALIAN through Waves of Love, Waves of Love and Faith, and Waves of Faith and Manifestation.

3 pm Abigail Rose Maddox Learn about the Roadblocks to your Health

Learn about the 6 most common barriers to healing that prevent you from sleeping at night, having regular bowel movements, causing horrible gas, hormone dysregulation, and just feeling like a semi-truck hit you. Many of these barriers cause "unexplained" symptoms that puzzle western medicine. Join us to learn about these barriers and put those symptoms to rest.

4 pm LindaMae Fogwell Himalayan Salt Lamp Secrets

Love that calming, fresh air feeling outside just after a thunderstorm? Learn how to create that atmosphere everyday inside your living space with Himalayan salt lamps.
