

LECTURE SCHEDULE - 2024 Fall Fair

SATURDAY

Room 1

Noon Doña Olivier Use Crystals for Chakra Balancing

Learn the connection of crystals and chakras to affect healing for your energy systems. Why is it important to understand these subtle influences and use for raising body and mind frequencies for your highest good.

1 pm Aileen Mazak What is a Death Doula?

Aileen will be speaking on the subject of what a Death Doula is and answer any questions you may have.

2 pm LindaMae Fogwell Hidden Secrets of Himalayan Salt Lamps

In April of 2012, I knew nothing about Himalayan Salt Lamps. Three months later I was making them and would sell hundreds through my spa over the next 8 years.

What happened? My story will spill hidden secrets of Himalayan salt lamps and may change your life, as it did mine.

3 pm Vickie Alleman Astrology for Changing Times

If you are finding life uncertain, volatile and constantly changing, attend this talk to learn about astrology cycles and how they affect you. Vickie will share information about life path, Mercury retrograde, and the significance of your moon sign.

SATURDAY

Room 2

Noon Dana Hutchinson Harnessing Traditional Chinese Medicine to Unlock Spiritual & Energetic Imbalances

Join registered medical herbalist and energetic healer Dana Hutchinson, MA RH (AHG) as she details how Traditional Chinese Medicine (TCM) views the energetic and physical meridian systems of the body. Dana will share how clinical TCM diagnosis of the pulse, tongue, nails, and skin can lead to determining underlying energetic and spiritual imbalances of the organ systems. The audience will learn Dana's top 5 'wisdom remedy' herbs for enhancing spiritual awareness and her top 5 herbs for balancing emotions. This lecture will provide you with strategic herbal, supplemental, and lifestyle recommendations to enhance your Qi (life force) and overall vitality.

1 pm Alyson Chung Learn Traditional Korean Tarot

Teaching others how to read the traditional way of Korean tarot, the Korean tarot card meanings (also known as "Hwatu cards") & the culture behind Korean spirituality.

2 pm Althoff Wellness Clinic Reverse Neuropathy Naturally

Are you tired of living with the discomfort of neuropathy? Do you long for a natural solution to regain your quality of life? Join us and learn THREE groundbreaking secrets to reversing neuropathy naturally!

3 pm Jeran Gesick Enhance Your Stem Cell Activity with Light

Learn about historic breakthrough in affordable stem cell activation technology.

SUNDAY

Room 1

Noon Francoise Netter De-Mystifying Psychic Awareness & Empaths - Mystical Tools for Guidance & Resiliency

Have you ever had intuitive hunches or felt like you carried the burden of others physically or emotionally? In this lecture we will look at what it means to be Psychic & an Empath & examine the tools that can offer guidance as well as transformation & empowerment.

1 pm Michael 'Heartsong' Cutter Living with Joy, Meaning and Purpose

Discover how to live with the joy and fulfillment of the soul in daily life. Learn about the profound map in your hands—how the fingerprints, lines and shapes reveal the deeper, unfulfilled desires and challenges. Michael's expertise as a life-purpose hand analyst, combined with extensive experience in indigenous shamanism offers practical guidance and insight. This interactive session will inspire and provide answers to your deepest questions. Join Michael and you might be chosen for a free Hand Analysis demo!

2 pm Ron Liggett - Share International Human & Angelic Co-operation - Simple Methods

At this crisis point between two paths - both the Human and Angelic Kingdoms are seeking a deeper connection, clearer communications and an essential cooperation to regenerate the planet.

3 pm Kimberly Latta Finding Love and Purpose After Loss

I will share my story of connecting to loved ones after they died and how it led me to finding my purpose - offering healing energy to animals.
