When you Arrive>>>How Check in Works

When you arrive at the building, come on in and find the check in table (it's usually at the far side from the garage doors.) We'll then show you where your booth is and you can start loading in. If you have a lot of product to load in, consider arriving at 4 pm so you can drive into the building to unload. It saves a lot of time and energy!

!! Important !!

If you requested ELECTRICITY Remember to bring an extension cord AND /or a power strip.

Cancellation Policy

As stated on your registration form, \$50 of the registration fees are non-refundable if you cancel prior to 30 days before the Fair. Only 50% of the Fair fees will be refunded for a cancellation within 30 days of the Fair. However, there are NO refunds for any reason within 7 days of the Fair. A replacement exhibitor is acceptable upon approval prior to the Fair.

AND REMEMBER...

Log into your **ONLINE EXHIBITOR DIRECTORY LISTING** (or create it you have not done so before) - If you forget your password - it is easy to have a new one sent.

Add a photo, content, a heading, etc. so the public can get an idea of what you do / provide / sell prior to coming to the Fair.

Let's continue moving forward through this global transformation with integrity, compassion and stay heart-centered!

See you at the Fair!

Abundant Blessings,
