

Lecture Schedule - 2026 Fall Fair

SATURDAY

Brown Room - Room 1

11 am Elise Adam Empath & Energy Connection

Does being around other people drain your energy? Do you feel what others are experiencing just by being around them? Come join us as we discover what it means to be an empath and how your energy is playing in the Quantum Field. Gain practical tips on how to keep your energy field clear and learn how far your energy field extends from your physical body.

Noon Michael Heartsong Cutter Experience the Joy and Power of Life

Step into a vibrant, experiential session to help inspire you to reconnect with your purpose and passion. Using ancient shamanic teachings and insights from IIHA hand analysis — Michael will share tools and perspectives to move forward with clarity and confidence.

Michael “Heartsong” Cutter is a certified life purpose hand analyst with nearly a decade of apprenticeship in the indigenous Kichwa traditions of Ecuador. Volunteer and receive a free demo hand reading!

1 pm Vickie Alleman Astrology for Changing Times

If you are finding life uncertain, volatile and constantly changing, attend this talk to learn about astrological cycles and how they affect you.

2 pm Jimena Yantorno Your Love Life Is Written in Your DNA — Not Your Dating Apps

Explore how your DNA, ancestral patterns, and nervous system shape attraction, chemistry, and the partners you choose—far beyond dating apps. Understand the hidden codes driving your love life and how to shift them.

3 pm Grace Dunnam Releasing Limiting Beliefs

Learn the powerful process of releasing old and harmful belief systems and replacing them with new belief patterns through EFT tapping, chakra alignment, and tarot as a grounding point.

4 pm Amy Gillespie Dougherty Your Ancestors Have Waited Your Whole Life for This Moment

Activate your ancestral legacy as you map how inherited energies shape your life and relationships. Understand ancestral traumas and gifts, and how to resolve those pesky repeat patterns. Embrace the gifts your ancestors have loaded you up with and what gifts may be available to activate during your lifetime.

SATURDAY

Beard Room - Room 2

11 am Jeff Ginter

Messages from Spirit: Signs, Stories & a Live Gallery Reading

Join psychic medium Jeff Ginter for an uplifting exploration of mediumship, his personal journey, and the signs departed loved ones use to let us know they are near. Most of the presentation will feature a live gallery reading, with Jeff delivering meaningful messages and evidence from Spirit to as many audience members as time allows.

Noon LeAnn Hoye

Your Heart is the Passageway to Healing Grief

Learn about: What is grief? How we are all interconnected? How to accept Love into our lives after grief? And learn how to meditate as a passage to your own Spirit and Passed Loved Ones.

1 pm Lindsey Scott

The Magic of Medical Intuition

I will present the history of medical intuition & explore figures such as Edgar Cayce. One person from the audience will be selected for a reading on stage. As a body/mind therapist I offer long term sessions & have seen clients experience dramatic improvements in their health, in body, mind & spirit.

1:30 pm Helene Rose

Stop Settling, Start Shining!

In this interactive workshop, you'll discover practical tools to overcome self-doubt, strengthen your confidence, strengthen your inner light and navigate change with greater clarity. Whether you're considering changes in your relationships or work, to create greater meaning, purpose and fulfillment, or you're ready to embrace a whole new chapter, you'll leave with practical strategies you can put into action right away to strengthen your inner light and become a conscious creator of the life you truly want.

2 pm Rhonda O'Brien

Psychic Tools for Resiliency

Raise your vibration and build resiliency to modern-day life through psychic practices. Grounding, cleaning your energetic bodies and your space are great, easy tools to simplify your life. Learn more in this introductory lecture.

3 pm Heather McGarry

Glow Up Parties

Your Past wants to PARTY, and It's full of treasure. Hidden gems, skills, connections, vision and opportunities. Give yourself a break and take my mini-reading for a spin. It's the perfect party favor for your event or gathering.

4 pm Doc Martinez of Angel Consultants

CBD Education

History and medicinal benefits of full spectrum hemp and CBD products. I am a small business owner with an emphasis on quality / natural products. Our growing techniques are what sets us apart.

Doc has done numerous seminars in and out of this industry. One of our seminar highlights is sharing and education of the Shoshone people of the Wind River Reservation in Riverton, Wyoming. We have been invited back a number of times.

SUNDAY

Brown Room - Room 1

11 am Rhonda Braswell

Radically Change Your Life through Radical Forgiveness

This presentation will teach you the difference between Traditional Forgiveness and Radical Forgiveness. It encourages you to bring your full focus to the present moment. How, you might ask? Colin Tipping developed a 5 stage process that collapses the stories of the past. This perspective offers you freedom from all the energy that goes into focusing your energy on your past grievances and pain, or on the anxiety of what the future will bring and allows you to stay fully present. It's a beautiful gift you give yourself.

Noon Crystal Uccello

The Pendulum Path: Initiation into Inner Wisdom

Discover how to use a pendulum as a tool for intuition and inner guidance. Learn the basics of connecting, asking clear questions, and receiving answers with greater confidence.

1 pm Pat Miller

Shamanic Dance

Before cultures could write, they danced. They danced to celebrate, to release, to emote and to change the energy around them and within them. This Shamanic Dance is a combination of movement, breath, expression and dancing in the energetic!

Join Medicine Woman Patricia Miller to experience this moving sacred journey. No experience needed, just the willingness to dance what's in your heart.

2 pm Megan Harlan

Altar of the Self: Using Your Chakras to Channel Divine Energy

Your body is an altar, and your aura is what's burning on it. We'll move through the seven chakras as thresholds for divine energy, exploring how each one opens or blocks your capacity to channel that flow, and what it means to flourish as a clear vessel rather than a closed one.

3 pm Sophia Grace

Psychic Mediumship: Spirit Communication Demo: Messages, Connection, Insight

Sophia Grace is a trained Psychic Medium Intuitive Practitioner specializing in communicating messages from divine spirits more commonly known as angels. During this presentation, she will share insights and techniques to demonstrate delivering messages from the other side. Whether you're seeking answers, connection, or simply interested in observing the experience, this lecture may offer you something unique.
